Dear Friends of Rozzie May Animal Alliance,

We are pleased to share that it has been a busy winter season at RMAA. We kicked off the 'Beat the Heat' season with a new, formal collaboration with the like-minded organization 'PAWS FOUR the CLAWS.' This non-profit shares in our mission to reduce homelessness of unwanted cats and dogs, and to help support the wellness of vulnerable cats or dogs in need of food. Debra Miller has successfully led her program and skillfully handcrafts her luxurious all natural soaps, candles, sprays, skin oils and butters. All proceeds directly benefit animals in need. Since 2017, her program has sold and donated over \$100,000 to not-for-profit organizations helping animals. A true success story!

RMAA now provides her all natural, handcrafted products in our clinic for sale, and each purchase goes directly to support RMAA in providing affordable, high quality spay/neuter surgery to our clients. We hope to expand our 'Keeping Families Together' food pantries through her generosity and love for animals. A beautiful selection of products is offered for sale at the RMAA clinic or website. RMAA is excited to collaborate with 'PAWS FOUR the CLAWS'.

Thanks to the ongoing support of friends like you, we have accomplished much towards meeting our mission of 'No More Homeless Animals... Let's Fix It!' The RMAA Cat Cab continues to serve families, rescues and shelters throughout New Hampshire and Western Maine. As a not-for-profit organization, we hope that you will continue to generously support us. Together we can continue our mission of reducing the overpopulation of unwanted cats and dogs.

We, at Rozzie May Animal Alliance, wish you and your family a Happy Easter and blessed spring season.

With much gratitude,

Nancy Lapointe

World Spay Day

Casinova and his ladies

Rozzie May Animal Alliance will be having drawings in February 2024 in honor of World Spay Day

Prize will be a free microchip

The last Tuesday in February is World Spay Day. It's very important to have cats and dogs 'fixed' so that all cats and dogs can find happy homes. In spring, females go into heat and the males are happy to oblige. When kind hearted 'adopters' visit shelters and rescues, the 'cute little kitties and puppies' will often get chosen while the older pets are left behind. It is so sad to know that our fellow critters are passed over. We're sure the shelter staff feels very bad for them too. You can do your part by having your cats and dogs spayed or neutered. Call for an appointment or sign up on line at rozziemay.org.

Paws Four The Claws

Handcrafted Soaps

Rozzie May Animal Alliance has partnered with 'Paws Four The Claws' handcrafted soaps. Debbie Miller founded Paws Four The Claws because of her great love of animals and her desire to 'wash away pet homelessness.' Debbie's love of animals began at birth and was nurtured by her mom and dad. Similarly, Rozzie May Animal Alliance founder, Roz Manwaring's great love of animals was nurtured from birth by her family and Rozzie May Animal Alliance (RMAA) is named in honor of her mother, Roz May.
