

Rozzie May Animal Alliance

Holiday 2025

Dear Friends of RMAA

Tis the season of reflecting on the successes and lessons of this year as it quickly comes to a close.

RMAA could not do it without the collective YOU...our supporters, donors, staff, veterinarians and dedicated board of directors. RMAA has completed more than 37,000 low cost spay neuter surgeries helping to reduce the population of homeless or unwanted cats and dogs while reducing the strain placed on animal shelters.

This has been a busy and successful year for RMAA. We welcomed Dr. Sara Braswell to our great team of Veterinarians in October. Dr Sara does one cat and one dog clinic weekly. She joins Dr. Andy and Dr. George to provide the highest quality in surgery at RMAA.

In 2025 we expanded our collaboration in the sale of "Paws for the Claws" Soaps and lotions, now for sale at the RMAA clinic in Conway and also at McSheffrey's Up North in Glen, NH. Additionally PAWS sponsored a free microchip to any cat that scheduled spay or neuter surgery at RMAA in November 2025.

RMAA welcomed Kathy Covell to our Board of Directors this year. Kathy, local to Conway, has a professional background of helping others and she is definitely helping RMAA through her vast knowledge, and 'people person' expertise.

RMAA again participated in both the Conway July 4th parade and the Freedom Old Home Week parade. Tuckermans Brewery hosted RMAA twice this year and we were in attendance at the Bark in the Park event in September. The annual RMAA yard sale was a success thanks to the many donors of items to sell and volunteers who helped set up.

Lastly I am so grateful to every RMAA team member. They contribute daily to our continued success. This includes our dedicated Staff, Cat Cab Drivers, Veterinarians and maintenance crew.

The RMAA board has been working on some exciting new initiatives for 2026. Stay tuned for that news to be shared in early 2026.

Tis the season of giving, so please consider making a donation to RMAA to help us continue providing affordable high quality spay neuter surgeries. No amount is ever too small and is very much appreciated.

RMAA wishes each of you joyous holidays, a Merry Christmas and a healthy happy New Year.

Warmest regards,

Nancy

Nancy Lapointe
President, RMAA

Merry Christmas and Happy Holidays
From: Staff, Veterinarians, Directors

RMAA Celebration

36,000 spay/neuters

Steve Caffrey, Roz Manwaring, Terri Conlon, Scott Johnson

Nancy Lapointe, Debbie Miller

Many thanks to the Lobster Trap Restaurant, Billy Cuccio, and staff for hosting our celebration for achieving 36,000 spay/neuter surgeries.

It was wonderful to visit with everyone again. President Nancy Lapointe welcomed Founder Roz Manwaring, three founding Directors Lindsey Maihos, Max Cheek, Terri Conlon and past Director Doris Anderson. Nancy presented many awards including to veterinarians Steve Caffrey and Scott Johnson. Both gave tremendous assistance and knowledge to begin this great venture. We couldn't have done this without so many caring people.

Merry Christmas

and

Happy New Year

Rozzie May Animal Alliance Correspondents

In the spirit of the Holidays, please consider providing a home for a working cat...or two. Barn cats will keep your barn or other building rodent free. Many barn cats are feral and have lived in colonies so they appreciate having a 'buddy.' This gives them someone to cuddle up with when it's cold and offers safety from predators. You will need to provide basic care for them, food, water, shelter and veterinary care. Food should be up high so raccoons and skunks cannot get it but the cats can. Plastic bowls are preferable for food and water. They'll appreciate a heated water bowl in cold weather (pet stores have these). If cats are feral, you will have to trap them for their veterinary appointment.

Have a happy, healthy Holiday!

Sassy

A chill is in the air...and we have snow on the ground. That means it's time to get ready for winter. It's such fun to jump into a yard of fluffy white snow and then do zoomies. Us big fluffy doggies can stay out playing for hours but the little guys need protection like a dog coat, shorter time out, maybe even boots. Then back into a nice warm home and lay by the fireplace, wood stove or other warm spot. I love the smell of the Christmas tree and batting the colorful balls around the room. Note, my person frowns on this.

Wishing Merry Christmas and Happy Holidays to all (even cats)!

Thumper

Many Hands Make Light Work!

VOLUNTEER

There are many ways you can assist RMAA – computer entry, assist vet techs and office staff, assist during events, hang flyers around town, etc.

Donations – Wish List

Trash Bags - 13 gallon
Laundry detergent – HE
Dawn dish detergent- blue
bath towels-new or used
Masking Tape 1”
Paper towels
Toilet paper
Printer paper
Pink & Blue sharpies
Sure Melt

RMAA thanks many businesses who help us in offering our cat cab services. Stores provide there parking lots for Cat Cab morning pickups and late afternoon returns. Individuals volunteer in various ways.
